

## HARNESS THE POWER OF UNC CHARLOTTE FROM YOUR OFFICE DESK.

The campus of UNC Charlotte is the home of ingenious discoveries in the fields of bioinformatics, energy production, and advanced manufacturing, to name a few. And now you can share that same pioneering spirit with a business address in our new PORTAL Industry-University Partnership building. Featuring 100,000sf of pristine office and support space for lease, PORTAL is the region's newest business destination. Our doors are open and UNC Charlotte is ready to bring expert thinking and advice to your company. Try finding that anywhere else.
